

Lara Lakes

L A R A

Bisinella
the key to your community

A young couple is walking through a field of tall, golden-brown grass. The woman, on the left, has blonde hair and is wearing sunglasses, a tan jacket over a plaid shirt, and blue jeans. The man, on the right, has short brown hair and glasses, wearing a red t-shirt under a brown jacket and blue jeans. They are both smiling and looking at each other. The background is a bright, hazy landscape with a body of water and distant hills under a cloudy sky.

The best of city and country.

Lara Lakes is an exciting new residential community designed to showcase the special charm of a town where the city meets the country.

With over 500 lots situated around nearly seven hectares of waterways and parkland, Lara Lakes is modelled on nearby Grand Lakes Estate, winner of national and state awards for high quality development and environmental excellence.

A wonderful lifestyle opportunity awaits you and your family at Lara Lakes.

With views across sweeping countryside to the iconic You Yangs mountains, Lara Lakes is located at the top of the Lara West Growth Area and borders the existing Lara township.

Lara is a vibrant growing settlement of more than 16,000 residents, but retains a distinctly rural feel and strong sense of community.

The very best of what Lara has to offer, now and in the future, will be yours at Lara Lakes.

No wonder Lara people say they have the best of both worlds.

Lara is the ideal place to enjoy a relaxed country lifestyle with many of the comforts of city living.

A wide range of established local services and amenities are close at hand, including shopping, dining, school, pre-school, health, sport and recreation.

Hovells Creek meanders through the centre of town, while internationally-recognised attractions such as Serendip Wildlife Sanctuary, the You Yangs Regional Park and the Limeburners Bay bird sanctuary are only minutes away.

It's an easy road or rail trip to both Melbourne and Geelong.

Additional services and amenities are planned in the Lara West Growth Area to keep pace with future residential development, including new schools, community centres and sports facilities. Ultimately the Growth Area will be home to approximately 10,000 people.

Lara Lakes is the latest Bisinella community to be created in Lara, where our family owned and operated company has been the pre-eminent land developer for more than 30 years.

Our largest project, the Grand Lakes Estate, put Lara on the map. Developed from 2009 to 2015, the 804-lot estate set a new benchmark for Lara and regional Victoria.

Grand Lakes, featuring brilliantly designed and engineered lakes, wetlands, boardwalks, café, community centre, playgrounds, rotunda, barbecue areas, walking/cycling tracks and tree-lined boulevards, won the Urban Development Institute of Australia (UDIA) 2015 award for the best new residential estate in Victoria – a first for the Geelong region.

The following year, Grand Lakes beat entries from all over Australia to win the UDIA's national award for environmental excellence.

Lara Lakes, which is similar in concept and design, will build on that success.

Building Guidelines & Inclusions

Lara Lakes has building guidelines to ensure that quality homes and landscaping are implemented, creating a quality estate for the benefit of its future residents.

This document is in summary form only for information purposes. The full terms and conditions of the building guidelines are contained in the contract of sale for lots in Lara Lakes and should be read and advice obtained from a legal representative, prior to entering into any contract of sale.

Building

DWELLING TIME RESTRICTION

House construction must commence within two years and completed within three years of settlement of the land.

BUILDING ENVELOPES

Please refer to the Plan of Subdivision to confirm if your lot is affected by a neighbourhood design envelope.

NO UNIT DEVELOPMENT

Only a single dwelling is allowed to be constructed on any lot.

BUILDING MATERIALS

All external walls (except windows and doors) must be constructed from items in tables A, B and C in the Memorandum of Common Provisions (a copy of which is contained in the contract of sale), provided that the sum of items in each table does not exceed the following percentages of the total external walls of the dwelling (excluding windows and doors):

Table A (100% maximum)

- Brick.
- Brick veneer.
- Stone.
- Rendered concrete.
- Rendered brick.

Table B (40% maximum)

- Timber.
- Painted fibre cement weatherboard.
- Rendered fibre cement sheet.
- Rendered foamboard.

Table C (20% maximum)

- Concrete.
- Painted fibre cement siding.
- Cladding.

No external construction with any second hand materials is permitted.

SHEDS AND EXTERNAL FIXTURES

A shed is defined as an external shed that is not part of your house.

A shed must not exceed 3.6 metres in height above natural ground.

A shed must be constructed of pre-coated steel or brick walls with a pre-coated steel or tiled roof.

GARAGE AND CARPORTS

Carports are not permitted on any lot.

Any freestanding garage constructed on a lot must match the roof and materials of the house.

CROSSOVERS AND DRIVEWAYS

Crossovers are included.

Driveways must be installed within 21 days from the issue of the certificate of occupancy for the house.

Driveways must be constructed from:

- Concrete
- Brick
- Paving blocks
- Patterned concrete
- Exposed stone concrete

Crushed rock driveways are not permitted.

Site Management

RUBBISH

Rubbish must be stored in a suitable receptacle for containing and disposal of rubbish.

Please ensure that your builder has allowed for a mini skip or similar receptacle.

In the event of non-compliance the lot owner may be liable to pay \$330 per week for uncontained rubbish during the construction of their house.

PARKING VEHICLES

The parking of commercial vehicles, caravans or recreational vehicles must be kept from public view unless located behind the wing fence.

NO VEHICLE REPAIRS ON THE STREET

A lot owner must not carry out any vehicle repairs which are in the public view.

VACANT LOTS

It is the responsibility of the owner of a property to ensure that all vacant lots are kept clear from all rubbish and/or building debris.

Vacant lots must not be used for storage of any personal property including building materials and vehicles.

Fencing and Landscaping

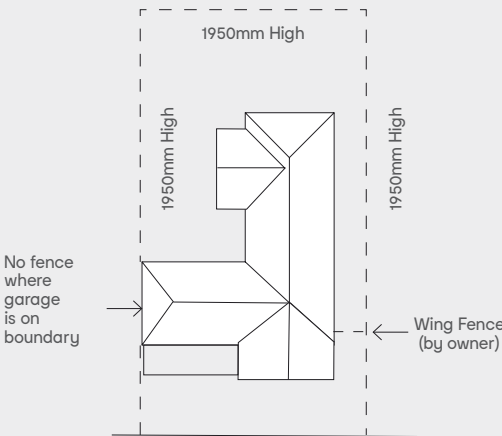

FENCING

The developer will supply boundary fencing in accordance with the fencing plan (a copy of which is contained in the contract of sale) upon completion of the house.

The owner must supply and install any wing fences prior to certificate of occupancy so that the backyard is not visible from the street.

All boundary fencing will be 1.95m high.

All wing fences or gates must be at least 1.8m high.

Boundary fencing between allotments (fence will taper to 1050mm commencing at the point located 4m from the boundary).

LANDSCAPING

Residents are encouraged to use sympathetic and hardy landscape materials such as local native plants, timber elements, gravel (excluding driveways) and stones or exposed aggregate concrete as paving, and mulch to create a natural garden setting.

LANDSCAPING (CONT.)

- At least 50% of the front garden area should comprise of permeable surfaces such as:
 - Drought resistant lawn
 - Lawn alternative such as artificial grass, groundcovers, river pebbles, Lilydale toppings etc.
 - Garden beds with trees, shrubs etc.If seed is used, turf should have grown to cover at least 90% of the grassed area.
- Garden beds must be mulched with either pine bark (or similar), stone or pebble. Bare dirt must not be visible.
- All garden beds should be edged using timber, masonry or steel edging and should be densely planted to ensure good coverage of growth. Empty spaces between plants should be avoided;

Nature strip should be constructed from one of the following materials:

- Gravels that have an average stone size of six (6) – eight (8) millimetres and are well graded (i.e. include a mix of stone chip and fines) to enable compaction to a surface that does not shift.
- Grass;
- Anakie granitic blend;
- Fine orange gravel;
- Lilydale toppings; or
- Tuscan toppings

Owners should also enquire with the City of Greater Geelong to ensure that the chosen nature strip material complies with Council requirements.

Bonds

LANDSCAPING BOND

A \$2,000 bond is to be paid at settlement to ensure these conditions are met. Upon completion of your new home, landscaping and fencing, please request a Bond Release Form from our office. A member of the approvals team will verify compliance. The bond will then be returned to you by our solicitor.

If you are liable for any amounts for non-compliance (such as rubbish not being contained), it will be deducted from the bond and the balance will then be forwarded to you.
